COCOA LIFE: PROTECTING AND RESTORING FORESTS

We commit to map 100% of farms by the end of 2019.

PROTECT
Protecting vital forests in cocoa-growing areas

By 2022 we aim to have planted over 2.7m trees to restore forests.

PRODUCE
Helping farmers to grow more cocoa on less land

We are introducing FINANCIAL INCENTIVES for cocoa farmers.

By 2022 we will have trained more than 160k farmers in GOOD AGRICULTURAL PRACTICES.

86,000 farmers in our program will have a savings account.

PEOPLE
Making farming communities more resilient

Our COMMUNITY DEVELOPMENT PROGRAMS ensure communities take ownership for forest protection.

By 2022 1,280 cocoa communities will have active forest restoration and protection programs.

By 2022, Cocoa Life aims to reach more than 160,000 farmers and 2,100 communities.
